

The **national resource**
for hiring highly
skilled transportation
specialist.

If it runs on gas
or diesel, Advantage
Staffing associates
keep it moving.

For decades Advantage Staffing has successfully helped managers find the skilled mechanics and technicians in local markets to maintain a reliable fleet. We are ready to do the same for you from coast to coast.

Advantage is large enough to handle your national staffing needs yet small enough to provide the specialized and localized service you require. Your company's hiring satisfaction is 100% guaranteed.

Call our transportation services team today to get a specialized recruiter working for you.

Advantage Staffing Transportation Services

We specialize in the recruitment of highly skilled mechanics and technicians for the maintenance and repair of fleet vehicles.

Whether you need a technician for several weeks or a number of mechanics for a project, you can count on Advantage Staffing to deliver customized solutions that consistently:

- ▲ Reduce the total cost of hiring
- ▲ Improve efficiency
- ▲ Increase your operation's labor flexibility

Advantage Staffing helps managers develop short and long term workforce strategies to meet the changing demands of business.

We work to understand the skills and knowledge each position requires.

We screen each applicant to validate work experience, skill levels, work eligibility and personal integrity.

We manage the associate's payroll, benefits, workers' compensation coverage and other important yet time consuming employee management functions.

We give you more time to focus on other core business functions.

The Best People, the Right Job
